

### School Nurse Drop In

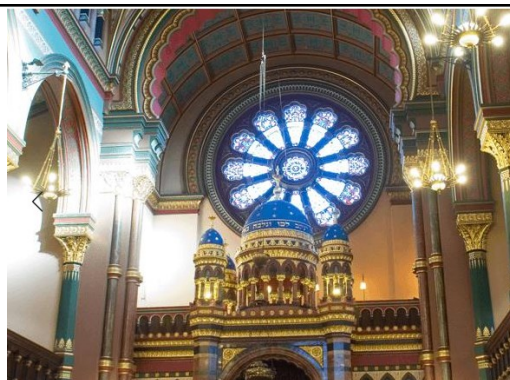

Sarah Jones, our school nurse, will begin her drop-in sessions next Thursday 8th March. If you have any concerns or questions about childhood issues for example, eating, sleeping, bed wetting, behaviour, you can discuss these confidentially with Sarah in the Hub (old Buds Building) between 9:00 and 11:00am.

### Friends of Beech Hill

Our Friends group is meeting at 9 o'clock on Tuesday 6th March in the Year 5 and Year 6 building. New faces are welcome. If you have any ideas about how to help raise funds for the school or if you just want to offer a pair of hands it would be great to see you there. Please call in, even if it's just for a drink and a chat.

### Year 4 in Liverpool

Class 4F had an amazing day on Tuesday when they visited the spectacular Synagogue in Princes Road, Liverpool. The children were amazed at the building itself and were fascinated by the artefacts they were shown. The afternoon was spent at the World Museum where children undertook an archaeology task and then they designed their own museum exhibition.

### ATTENDANCE MATTERS

Encouraging regular school attendance is one of the most powerful ways you can prepare your child for success—both in school and in life. When you make school attendance a priority, you help your child achieve their best and support them in developing healthy habits for life. The national average attendance for primary aged pupils is 96%. As you can see, we currently have only one class in school that meets that average. Please ensure you child is an attendance **HERO**.
