

Welcome Back Year 6

Year 6 children (and staff) have had a fantastic time this week at Hinning House in The Lake District . From the regular Twitter updates it is clear that they have all eaten very well, filled their days with adventure and learned new skills. A massive thank you to the members of staff (Mrs Baldry, Mrs Tracey, Mrs Wood, Mrs Whittle and Mrs Hobin) who sacrificed their own family life this week to give the children this fabulous experience.

Year 3 and 4 Visit The Lowry Gallery

On Monday, all children from Years 3 and 4 spent the day at The Lowry in Salford. The purpose of the visit was to see the picture 'The Fight' hanging in the gallery and to learn about the life of L.S. Lowry. This is the picture the Year 3 and 4 curriculum was based around during our Take One Picture week at the beginning of term. The children had a fantastic day. Apart from seeing the painting, they took part in drama workshops and practical sculpture activities. The staff at the gallery were amazed at how much the children already knew about the artist and with their ability to appreciate the art on display.

Let's Sing

The school is participating in the Let's Sing Festival this year. Children in year 3 have already begun work on their songs which they will perform as part of a massed choir at Robin Park. The final rehearsal and concert will take place on Tuesday 27th November from 6:30pm. Further details will be made available nearer the time.

Data Sheets and Medical Information Sheets

Please remember to return data sheets and medical information sheets to school. It is so important that we have up to date details in cases of emergency. There have been a number of occasions recently when the numbers we have for parents have not been available and we have not been able to get in touch when we urgently needed to.
