

School Library

We are currently in the process of reorganising our school library. New furniture has been delivered and books, new and old are being re-catalogued to make visiting the library a much more pleasant experience. We hope to have it completed shortly after the half term break at which point, it will be open some mornings before school and some evenings after school so that families can visit with their children. Information about times of openings will follow.

Payments

Please remember to pay school dinner money on time. The cost for a school lunch is £2:20 per day or £11 per week. If you use Larks breakfast club or Nightingales after care, please book and pay for sessions in advance using the School Comms App.

PLEASE DO NOT PARK ON THE ZIG ZAG LINES OUTSIDE THE SCHOOL ENTRANCE ON NETHERBY ROAD

Thanks to Owl Class for sharing the love on Valentines Day. All You Need Is Love.

Time to Talk Watch this:

What is the strangest thing you have ever seen?

ATTENDANCE

Regular attendance at school is crucial if children are to achieve the best outcomes possible. Please ensure your child attends school every day.

Best attending classes week ending: 08/02/19

EYFS & KS1: Robin Class 96.8%

KS2: Owl Class 99.2%

Eyes down. Look in!

Our Friends of Beech Hill group have announced the date for their next event.

Beech Hill Bingo will be held on Thursday 4th April from 4-6pm. There will be small prizes for lines and cash prizes for a full house. Food will be served so come along, have your tea, play a game of bingo and see if your luck is in. Details about tickets etc...will follow.

World Book Day

We will be participating in World Book Day on Thursday 2nd March and the theme this year is 'Share a Story'. The children are welcome to come to school dressed as a book character. The costume can be as simple or complicated as you choose, as long as the children know which character they are. Jeans and a T-shirt and **Hey Presto**, Charlie Bucket. All children will receive a £1 voucher and will be able to choose from the following £1 books;

Ten Little Bookworms by Mike Brownlow

The Hundred and One Dalmatians: Cruella and Cadpig

Claude: Best In Show by Alex T. Smith

Hubert Horatio: A Very Fishy Tale by Lauren Child
LEGO® Minifigure Mayhem by Helen Murray, Beth Davies & Paula Regan

Bad Mermaids Meet The Witches by Sibéal Pounder

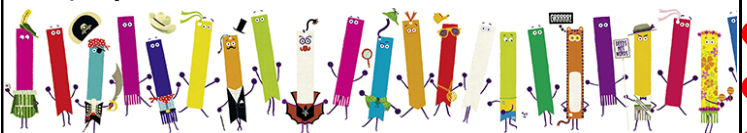

The Great Rocket Robbery by Frank Cottrell-Boyce, Diary of Greg Heffley's Best Friend by Jeff Kinney

Percy Jackson and the Singer of Apollo by Rick Riordan

Everdark by Abi Elphinstone

Nought Forever by Malorie Blackman

Snap by Patrice Lawrence

WILD

This half term we have immersed ourselves in the book WILD by Emily Hughes. We really enjoyed the book and are now writing our very own version of the story. We are also adding our own illustrations and look forward to sharing our work with you.

Spectacular Science- Plants!

In science last half term we have studied animals including humans we had a special scientific visitor to help us with our learning. This half term we are working on the science of plants. Did you know there is a plant in a bottle that has not been watered since 1972 ... and it is still growing (check it if you don't believe us) Find out more about our activities on our class page. If you have not signed up for twitter our class twitter page can be found @BHCohort2022

Scientists at work trying to answer 'The Big Question'...Can plants grow without water?

Engineering excellence

Our local history and geography studies have been looking at the changes in land use since the coal mines closed in Wigan. We have located old mine shafts on a map, made models of pulley systems and looked at what happened to the land once the mines closed.
