

All Creatures Great and Small

We’ve had a whole range of visitors in school this week. Some with no legs, some with as many as eight. Our Reception children were delighted to meet Stephen, Mrs Hobin’s rather large tarantula. If you check out Reception’s twitter feed you will see he barely fits into their hands. Some of our parents were very brave too.

Congratulations

Well done to the winners of the Science poster competition, Blake, Katielee, Layla, Pato, Olivia, Alicia, Daisy and Ava. They each win a science or modelling set and their posters on the theme of exploration and discovery will be sent off to a national competition. Good luck!

Reading in Strange Places

Well done to Patrick, Kayleigh, Daniel and Olivia who won the prize for the “Reading in Strange Places” competition. They win

vouchers to spend at the book fair. We will run this competition again in the summer term so if you catch your child reading in a strange place, take a snap and send it in to school.

CASHLESS PAYMENTS

Some of our parents are experiencing a little difficulty using the School Comms cashless payment system. Please bear with us as we endeavour to resolve any problems.

Easter Bonnet / Egg Competition

It’s time to get creative! This year we’ll be holding an Easter bonnet / Easter egg scene competition. Children can choose which they would prefer to enter and everyone is welcome to join in. The competition will be judged by our school councillors on the last day of term.

Dates for your Diary

29.03.18 School Closes for Easter
16.04.18 Return to School

Summer Fair

We will be holding a school Summer Fair on Saturday 30th June. The Friends of Beech Hill Community School are holding the fair as a fund raising event for school. We would like as many ideas and volunteers as possible. If you would like to be involved please feel free to attend the meetings—dates to follow.

ATTENDANCE

Regular attendance at school is crucial if children are to achieve the best outcomes possible. Please ensure your child attends school every day.

Best attending classes week ending: 09.03.18
EYFS and KS1 Class RG: 97.5%
KS2 Class 6B: 99.6%

Our wonderful week in Reception

Thank you to everyone who came to help us celebrate our reception class assembly and

The school nurse came to talk to us about how to stay healthy by washing our hands properly.

We met Steven the spider. A Chilean Rose Tarantula

We made our own vegetable soup, peeling and chopping the vegetables, adding the ingredients to the soup maker and then when it was ready eating it. It was delicious.
