

Welcome Back

Welcome back and a Happy New Year to you all. I hope you had a happy and restful holiday. The children are already hard at work on their new topics. There will be lots of opportunities for you to come into school this term and we look forward to working with you to make sure our children are the very best they can be.

School Council

Shortly before the end of term, we held elections for the school council. Children who stood for election needed to present their ideas to their class and then the vote was held. Children from Reception class upwards took part in this democratic process. This is one example of how British Values are incorporated into life at Beech Hill. The School Council will be led by Miss Whittaker. Congratulations to the following children—our new school councillors:
