<p>I will talk about people who are special to me.</p> <p>I will talk about what makes me special.</p> <p>I will listen to others and recognise ways that we are similar and different.</p> <p>I will talk about my interests and preferences.</p>	<p>I will use technology to share photographs of me and my life.</p> <p>I will explore technology in the world around me.</p>  <p>Linked to Literacy focus, we are inviting children to post a photograph of the view from their bedroom window onto our class Twitter page. BHCohort2627</p>	<p>I will talk about what I love and listen as other people do the same.</p> <p>I will talk about what I am proud of. I will ask questions to find out more.</p> <p>I will speak clearly to talk about what has happened and what is going to happen</p>

Reading

Reading with your child is extremely important. This all builds your child's early literacy skills, like the ability to listen to and understand words. It also helps her go on to read successfully later in childhood. Reading stories stimulates your child's imagination and helps him learn about the world around him.

The tips below offer some fun ways you can help your child become a happy and confident reader.

- Read to and with your child every day. Make this a warm and loving time when the two of you can cuddle close.
- Give everything a name. Build your child's vocabulary by talking about interesting words and objects. For example, "Look at that aeroplane! Those are the wings of the plane. Why do you think they are called wings?"
- Tell your child how much you enjoy reading with him or her. Talk about "story time" as the favorite part of your day.
- Read with fun in your voice. Read to your child with humour and expression. Use different voices.
- Know when to stop. Put the book away for awhile if your child loses interest or is having trouble paying attention.
- Be interactive. Discuss what's happening in the book, point out things on the page, and ask questions.
- Read it again and again. Read your child's favorite book for the 100th time!

Literacy

Our literacy lessons are always based around stories or poems. We will have a book of the week that we will share with the children on a daily basis. Look out for our Twitter feed as we will be sharing our exciting activities with you.

Phonics – We will introduce Phase 1 Phonics. The emphasis will be on developing children's speaking and listening skills. Typical activities for teaching Phase 1 phonics include **'listening' walks, playing and identifying instruments, action songs, learning rhymes and playing games like I Spy.**

Questions

Who is special to you?

What makes you special?

Who lives in your house?

Can you talk about a special time or event?

Maths

We are continuing to focus on a new number each week as we develop our mathematical understanding. Our main focus this half term will be to

General Information

- School library visits will take place on Wednesdays.
- Forest School day will be Wednesdays.
- Don't forget you can keep up to date with everything that goes on in Duckling Class by signing up to **Twitter @BHCohort2627**
